**Register before April 15th and SAVE!**

The Cosmetic Bootcamp is developed only for physicians board certified in the specialties of Dermatology, Plastic Surgery, Ophthalmology and Otolaryngology and their extenders. It offers the perfect balance in technical knowledge and practice management skills to enable the core aesthetic physician to establish and grow a successful cosmetic practice. This three-day program is packed with presentations by the most reputable experts on how to perform the most popular cosmetic procedures along with discussions and experience sharing on how to manage one's cosmetic dermatology practice.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Louisville and Meeting Designs, LLC. The University of Louisville is accredited by the ACCME to provide continuing medical education for physicians.

**Designation Statement:**  
The University of Louisville School of Medicine Continuing Health Sciences Education office designates this educational activity for a maximum of 18.8 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Nursing Statement:** This program has been approved by the Kentucky Board of Nursing for 7.8 contact hours on 6/13/08 provider number 3-0046-01-2013-27; 6.9 contact hours on 6/14/08 provider number 3-0046-01-2013-28; & 4.1 contact hours on 6/15/08 provider number 3-0046-01-2013-29 through the University of Louisville School of Nursing, expiration date January 2013. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content. Participants must attend entire session, provide license and SS#, and complete evaluation to receive contact hours.

**Special Needs:** If you need special accommodations due to a disability, or an alternative form of course materials, please contact Meeting Designs at 781-793-0088 at least 14 days prior to the event. Continuing Health Sciences Education fully complies with the legal requirements of the ADA and the rules and regulations thereof.
